
DENISHA WLEH

MEDICAL ASSISTANT

PROFILE

Compassionate and dedicated Clinical Medical Assistant certified through Stepful and the National Healthcareer Association (NHA), with hands-on training in providing high-quality patient care in fast-paced healthcare settings. Skilled in measuring vital signs, assisting with patient examinations, administering medications under supervision, documenting medical information, maintaining accurate electronic health records (EHR), and ensuring compliance with HIPAA and infection control standards. Recognized for strong communication, attention to detail, professionalism, and the ability to build positive relationships with patients and healthcare teams. Currently pursuing an Associate Degree in Nursing, demonstrating a strong commitment to advancing clinical knowledge and delivering exceptional patient-centered care.
